Taylor-made solutions for Coding & Marking worldwide: Hitachi`s Sales and Service Network

Service is key driver to success, especially in the business segment of Coding & Marking. That's why Hitachi Industrial Equipment Systems continuously expands its global Sales and Service Network. Customers can benefit from Hitachi's well known quality, as well as the distributors technical expertise and knowledge of local markets. Members of the Sales and Service Network offer the full product portfolio of Hitachi Coding & Marking solutions alongside custom made services accordingly to the high Hitachi Sales and Service Network quality norms.

Worldwide coverage and individual solutions: The Hitachi Sales and Service Network

Hitachi is proud to operate a global network of distributors that offers consistent high quality solutions all over the world. From sales to service and consultancy, our sales network offers for the most diverse industries.

Training to keep up with innovation

To keep up with the shifts in needs and requirements, members of the Sales and Service Network receive regular trainings from Hitachi. This guaranties customers to find the best possible solution for individual requirements. No matter where you are or what industry your company is operating in, you can always expect highly qualified distributors and service partners.
